IN RE: DOCKET NUMBER 38-56-78  
ORDER NUMBER 118-56

SPECIAL FIELD RULES  
POPLAR GROVE OIL FIELD

This day this cause came on for hearing before the State Oil and Gas Board on the matter of the adoption and promulgation by the Board of special field rules for the Poplar Grove Oil Field in Adams County, Mississippi, said hearing being called for such purpose by said Board; and

The Board finding that due, proper and legal notice of the meeting of the Board for the purpose of considering and taking action with respect to said matter has been given in the manner and way as provided by law and the rules and regulations of the Board and that due, legal and sufficient proofs of publication are on file with the Board and that the Board has full jurisdiction of the subject matter to hear and determine same; and

WHEREAS pursuant to said notice given a public hearing was held by said Board in the Second Floor Auditorium of the Woolfolk State Office Building at Jackson, Mississippi, on May 16, 1956, at which time and place all persons present who desired to be heard on said matters were heard and all proposed special field rules were fully discussed and duly considered by those present at said meeting; and

WHEREAS, the Board has fully considered said matter and the evidence and recommendations made in said hearing and is of the opinion that the following special field rules should be adopted for the prevention of waste and the protection of the correlative rights of all owners in said field;

IT IS THEREFORE HEREBY ORDERED by the State Oil and Gas Board that the following special field rules be and the same are hereby adopted by the State Oil and Gas Board of Mississippi for the Poplar Grove Oil Field located in Adams County, Mississippi, to take effect on and after June 1, 1956, to-wit:

SPECIAL FIELD RULES  
POPLAR GROVE OIL FIELD  
ADAMS COUNTY

- A. That the Poplar Grove Field, as used herein, is that area in Sections 29 and 45, Township 6 North, Range 2 West, Adams County, Mississippi, and including all productive extensions thereof, which area is underlain by the Baker Sand Oil Pool and the Benbrook-Ratcliff Sand Oil Pool.

- B. The Baker Sand Oil Pool, as used herein, shall be construed to mean those strata of the Wilcox group productive of oil from a depth of 6292 feet to 6298 feet in the Sunnyland Contracting Company's R. L. Emery No. 4, located from most southerly corner of Section 29 along section line 1875 feet in northeasterly direction and then at right angles 330 feet in Section 45, Township 6 North, Range 2 West, and including those strata productive of oil which can be correlated with this horizon.
- C. The Benbrook-Ratcliff Sand Oil Pool, as used herein, shall be construed to mean those strata of the Wilcox group productive of oil from a depth of 6268 feet to 6280 feet in the Sunnyland Contracting Company's R. L. Emery #4, located from the most southerly corner of Section 29 along section line 1875 feet in northeasterly direction and than at right angles 330 feet in Section 45, Township 6 North, Range 2 West, and including those strata productive of oil which can be correlated with this horizon.
- D. The characteristics of the producing pools in the Poplar Grove Oil Field are such and evidence shows that one well drilled on a regularly formed 40-acre drilling unit will efficiently drain and produce the recoverable oil from such unit in said pools without avoidable waste.

All rules and regulations contained in the Statewide Order No. 201-51 and amendments thereto are hereby adopted and shall apply to said field.

The Board expressly reserves its right after notice and hearing to alter, amend or repeal any and all of the foregoing rules and regulations.

ORDERED this the 16th day of May, 1956.
