IN THE STATE OIL AND GAS BOARD OF MISSISSIPPI

RE: DOCKET NO. 157-64-199
ORDER NO. 225-64

O R D E R

This day there came on for consideration before the Board in Executive Session the matter of a scrivener's error appearing in Order No. 225-64 adopting Special Field Rules in the Turkey Creek Field, Adams County, Mississippi, and the Board finds as follows:

That in the description of the field area in Paragraph A of the Special Field Rules for the Turkey Creek Field, the township and range was specified to be T 1 N, R 6 E, Wilkinson County, Mississippi, whereas there is no such township and range in Wilkinson County. The Board further finds that the Notice of the hearing for said docket was correct in showing the description of the area to be affected as being Section 18, T 4 N, R 1 W, Wilkinson County, Mississippi, and that such publications of notice are in all respects proper. The Order further contained in Paragraph B, the definition of the productive pool in said field, reference to the proper township and range. It is therefore the opinion of this Board that the Order as entered is valid since the error is patent on the face thereof with sufficient references to disclose the true location.

IT IS THEREFORE ORDERED AND ADJUDGED That the records of the Board reflect the correction of such error and that proper notation be made on the said Order showing such correction.

ORDERED AND ADJUDGED This 20th day of January, 1965.
